January 31, 2024

Colleen Perry Keith, Ph.D., President  
Goldey-Beacom College  
4701 Limestone Road  
Wilmington, DE 19808

Dear Dr. Keith,

Congratulations! The Delaware Department of Education has reviewed your application for approval of degree granting authority in the State of Delaware. It has been determined that Goldey-Beacom College meets the current requirements for renewal of approval and has been granted approval through the State of Delaware. This full approval allows Goldey-Beacom College to continue to offer courses, programs, and/or degrees to Delaware residents. The approval is in effect until 1/31/2029 contingent upon continued accreditation by the Middle States Commission on Higher Education and degree granting authority by the State of Delaware.

It is the responsibility of Goldey-Beacom College to adhere to Delaware laws and regulations. Additional approvals and submissions may be required for programs intended for licensure. Any questions regarding additional requirements may be submitted to [IHE@doe.k12.de.us](mailto:IHE@doe.k12.de.us).

Goldey-Beacom College is required to submit any renewals or changes to national, regional, or state accreditation to the Delaware Department of Education as part of the process towards maintaining its authority to confer academic and honorary degrees (14 *DE Admin. C.* 292). Goldey-Beacom College may be required to submit key annual evaluation documents relative to the school's program offerings upon request.

If you have any further questions or concerns, please contact our postsecondary institution approvals team at [IHE@doe.k12.de.us](mailto:IHE@doe.k12.de.us). Attached to this letter is a summary of the approval status and list of approved programs for your records.

Sincerely,

A handwritten signature in black ink that reads "Mark A. Holodick". The signature is fluid and cursive.

Mark A. Holodick, Ed.D.  
Secretary of Education
